**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION**

Dear Sir:

The above-identified application is abandoned in view of Applicants' failure to timely respond to a Final Office Action mailed on July 18, 2006, with a three month reply set.

Applicants respectfully petition the Office to withdraw the holding of abandonment based on the fact that the a Final Office Action, dated July 18, 2006, was not received in our office until a Notice of Abandonment was mailed to us on March 19, 2007. The undersigned, hereby attests to the fact that a search of the file jacket and docket records indicates that the Final Office Action, mailed on July 18, 2006, was not received. However, the Office communication of Notice of Abandonment was received on March 19, 2007. Please see attached Appendix A. A copy of the docket record reveals that the Final Office Action was neither received nor entered

in the docket. The highlighted entries on the report dated May 18, 2007, reveal that no Final Office Action was received or entered into the docketing system. The highlighted portions clearly show that the response to a first Office Action, filed on May 8, 2006, generated the docketing report for the filing on its respective date.

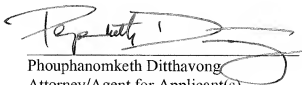

Additionally, screenshots (see attached Appendix B) are provided to evince the non-receipt of the final Office Action. As shown, the first Office Action was received on April 20, 2006 and the response to the first Office Action was filed on May 8, 2006. In addition, the notes of the record (highlighted) supports the fact that Final Office Action, dated July 18, 2006, was not received in our office, and that a Notice of Abandonment was mailed to us on March 19, 2007. It is noted that Appendixes A and B represent copies of the docket records where the non-received Final Office Action would have been entered and docketed had it been received.

It is respectfully requested that the Holding of Abandonment be rescinded and the application returned to pending status.

Respectfully Submitted,

DITTHAVONG MORI & STEINER, P.C.
